

Copperlode Cup 2009

With slightly overcast skies and perfect temperatures, local Roadies member Phil Bradshaw pulled away from the field and posted the second fastest time in the history of the event, only 29 seconds off Brad Bevans record set in 1996. This despite 2 weeks of heavy training. Next year for sure. On the womens side, Andrea Hargreaves ran strongly to finish in 1:12:55, just 1.35 ahead of Sue Crow. Post event everyone tucked in to the chicken rolls, cakes and champagne and orange juice. Many thanks to race directors Keri and Celia and all the other volunteers who assisted.
