

Cairns Road Runners Relay For Life, 16-17 June 2012

Team Leader: Jane Kahler

Well done to all those who came along to participate and support the Relay for Life this year! Michelle Farkas' freshly baked banana bread came in just ahead of Karen St Amand's homemade mince in bread baskets – for those who sat around and ate, rather than be out on the track running!

Great effort from Jim Cavill, who once again spent most of the 18 hours on the track. Others did less, but put in a good effort. Juniors Scott, Trent and Connor had a ball collecting freebees around the track, and spending a lot of time running too. Dorothy works on weekends, so took the opportunity to come out and run in the evening. Donna did well completing eight laps with Violet – she's only 2!
