

Cairns Road Runners 5th Goomboora Junior Cross Country Race

Race Director: Kev Morrissey

Twenty four runners took part in the 5th Goomboora cross country. This race was introduced in 2008 to help Peninsula cross country runners prepare for the state cross country championships. Prior to the race, when jogging around the course to familiarize runners with the course, it was discovered that many of the markers and flags had been removed. Apparently two ladies took it upon themselves to remove and dump them in a near by wheelie bin. Were they do good environmentalists or race saboteurs? We will never know! Fortunately Idan Piercy grabbed the flags from the dumpster and replaced as many as he could a few minutes before the start of the race. He saved the day and amazingly no one got lost. The course is close to 2km and runs around the park and along Freshwater Creek. Runners have the option of running one, two or three laps. Below are the results. Join us for the 26th David Todd Memorial Mile on 14 July, 4.00pm at the Saltwater Lake on Greenslopes Street, Botanical Gardens.
