

Cairns Road Runners The Rocks #3, 16 March 2013

113 runners gathered for the final Rocks Race at the Rocks car park. 72 runners were in the popular 5km. Thomas Briggs has made the series his own with a strong lead throughout the race (16:08), claiming both the day and the series. Tony Vogler has also made a strong CRR debut finishing second both on the day (18:00) and in the series. Steve Cunningham (18:05) continues to show those youngsters a thing or two, finishing third, and claiming third in the series. Rachel Effeney (19:01) has led throughout the series claiming both the day, and the trophy. Clio Ozanne-Jaques (20:04) and Terri Orr brought home 2nd and 3rd respectively.

41 athletes lined up for the 3km. Scott St Amand ran the gauntlet of cheering supporters through to the finisher's shoot (12:03) to take first in both #3 and the series (for the men). Hannah Hardy was close on his heels (12:14) taking the series and the race for the women. Elton Bozkurt (12:37) and Ollie Boltz (12:54) completing the top three for the men. Poppy Boltz (12:41) and Ella Hargreaves (13:13) in 2nd and 3rd place for the women.

Suggestion of the day goes to one excitable child who suggested we have an airbed race with lollies next year "after the running bit".

As always a big thanks to the many runners, family and friends who stepped up and volunteered on the day. John Vaughan as race director, Margie Shearer and Elva Metcalf on registration, Katie Osmond and Mark St Amand on timing, Bridget Fearon on recording, Larry Lawson on set up/pull down, Catherine Mellinger and Alexandra Napier on remote water stop, Lesa Hansen and Jen Shults on marshalling and Alicia Bean on shopping. Additional thanks also to our generous sponsor O2 magazine for their ongoing support in 2013. And thank you to the Cock and Bull for the volunteer's prize – a \$25 dinner voucher.

Done and dusted for another year? No way! Bring on the Little Street Maelstrom.
