

Cairns Road Runners Canine Challenge, 17/8/13

Race Director: Taras Jakubovsky

Saturday 17th August saw the running of the second annual Canine Challenge proudly sponsored by PETstock. On a picture perfect Cairns morning a field that saw 25 runners attended the race held on the Esplanade. All attendees received a showbag at the finalization of the event. After some “sketchy” race directions from the Race Director a competitive race ensued. Contrary to regular race results in which competitors are placed based on age the Canine Challenge competitors are placed based into dog sizes. In the Small Breed Category Prizes went to Alanna Coburn (Runner up) and Mark St Amand (Winner). David Valkhoff was in the prizes again in the medium breed category coming in second to winner Connor Mitchell. Runner up in the Large Breed category was taken out by Larry Lawson and the 2012 title was defended by Phil Bradshaw.
