North Queensland Animal Rescue (NQAR) was the overall winner of the K9 challenge with **\$285** raised and donated to this charity doing some great work rescuing homeless and abandoned pets in the Cairns area. A number of further donations were made in addition to entry fees that helped raise the amount beyond the target of \$250. Thanks also to those entrants unable to participate due to the rescheduling of the event. Your contribution is recognised and appreciated.

The Roadies 3km Wednesday afternoon course was the route chosen and three categories, based on dog size was offered. Shire with Peter and Julie Saggars came in first in the Medium Breed category. Scarlett and Claire Denzin, led the Large Breed pack. The Small Breeds were represented with a first by Lexie and Danella Haseldine. Some needed more than 3km so Jess with Hugh Keddell and Bella with Alison Smith got results in the 6km event.

Thanks to Taras Jakubovski of Petstock, Mulgrave Road for lining up some great prizes for category winners and supporting the event.
