

Cairns Road Runners Sweaty Santa Fun Run, 7 December 2014

Runners were met with sultry conditions when they toed the start line for the final event on the Road Runners calendar for 2014 - the Sweaty Santa Fun Run. A dumping of rain the night before intensified the humid air and left several obstacles on the road from Lake Placid to the Barron Gorge Power Station.

Almost 70 runners chose from various options including a1/3/5/10km. All runners celebrated (last 2014 event or the season – not sure!) with bakery and fruit options and discounted coffee from nearby Alessandros Pizzeria.

Good on everyone for participating whether socially or more competitively. See you in 2015!
